

Need a New Nametag? \$6.50 each

Do you find that social events are more fun when we can all say “Hi” and be sure of everyone’s names? For the last few years, New Neighbors has been facilitating this process by providing special permanent name tags for all our newest residents.

For those who joined prior to 2013, there is a gap. (And for those of us who have somehow misplaced it, whoops). Please enter FIRST and LAST names below and we will order them for you. Please include phone /email so we can advise when they are received.
